PROVIDING YOU WITH A FULL RANGE OF OILS TO CHOOSE FROM

Shell Nautilus Premium Inboard Oil provides premium protection for all 4-stroke & most marine diesel inboards including turbo-charged units. It is also ideally suited to all new-generation 4-stroke outboards. Additives create excellent resistance to internal rust & corrosion & its special formulation helps to control harmful carbon deposits.

Shell Donax Heavy Duty Transmission fluids. Protecting your fleet & reducing your maintenance costs.

Shell Rimula is one of the world's leading brands of heavy duty diesel engine oils with top quartile brand preference in many of the markets in which we operate.

Shell Spirax is a leading brand of transmission & gear fluids. A position earned as a result of many years of heavy investment in state-of-the-art research & development facilities & millions of kilometres of field testing.
